EXTERNAL Email:

Mr. Katz,

The attached proposed third amended complaint has been filed with the court this morning. Please note, it can take up to 24-48 hours for pro se electronic filings to be entered on the docket.

I have also attached copies of the draft joint letter and case management plan due today. I believe this is the third time I've sent these with no acknowledgement. Please confirm receipt of this email and provide any edits to the documents in a redlined draft so we may file prior to 5 pm today when the pro se office closes.
